RSVP at <http://uscwim.org/calendar.asp>

Women in Management (WIM) was formed in 1979 in response to the need for an organization for women in leadership positions at USC, and to address the issues of increased representation of women in responsible positions, equal pay for men and women holding similar positions, and the provision of a forum in which women could develop leadership skills. The purpose of the organization remains to provide a forum for communication, professional development, and career opportunities for women at USC.
